**Breeder:** Jennifer Roberts

**Achievements:** ARBA, UKC, IABCA Champion. CGC, TDI, TT, WD1-2-3. 2x National Longest Drool Winner!

Duncan was the pick puppy from our first litter. He completed all three DDBS working levels by the age of 2 years old. He also earned multiple conformation titles and was shown at three DDBS Nationals & one World Dog Show. He has always been a very well behaved, mellow dog that enjoys his independence. Duncan's favorite thing to do is to watch for and chase the critters in the yard (squirrels, rabbits & birds). Duncan is neutered & retired now. In 2004, he suffered a very scary ordeal with Inflammable Bowel Disease & Salmonella. He dropped 40 lbs and was very ill for 6 months. After multiple specialists had basically written him off - it was acupuncture and holistic supplements that caused him to finally come into remission. 2 years later, he is doing wonderfully accept for some arthritis. We are looking forward to many more years with Duncan dude.
