Our Dogue De Bordeaux Pandora had just died a tragic and untimely death at age 3 1/2 years old. We found out about a litter in the State of Washington and bought her. From the moment she arrived here in Brooklyn New York, Xena has been the joy of our lives. She knew just what we needed to help heal two broken hearts. She is funny, sweet, brave, smart everything all rolled up into one. When she was 5 years old we took in Sonya a rescue and Xena accepted her and they are bonded as sisters. We are blessed to have her in our lives.
